Weekly Update on Select Board activities:

Met with dept heads regarding budget process set up. Discussed capital plans and the and 10 year plans.

Met with York County Community Development to see where we might qualify for grants. They can increase our development and help find grants to help with our town funding for DML, LP&R, and even the PWD.

Please note that the Transfer Station cannot take tractor or tractor trailer tires. Tire acceptance regarding oversized tires is at the discretion of the Transfer Station attendants. This is due to DEP regulations on what we can and cannot accept, such as brush.

Worked with resident on questions about their property.

Thank you to fire and EMS, the PWD for all the hard work in town keeping the town safe, responding to calls, and the road maintenance. Thank you to LP&R for all the work updating the OTH, MMDY, the ball fields, and bringing all the programs up to speed.

The Select Board was informed again of activity at 259 Hardscrabble Rd and will be moving forward with mitigation due to the danger the building poses.
