MUNICIPAL:

A request to pay Saco River TV to upgrade the digital cameras, audio, and computers: \$14,500.00.

Motion to approve Municipal PO made by Michael Barden second by Jonathan Kinney approved.

Old & New Business:

Motion to change the rates for tires at the Transfer Station from \$2.00 to \$6.00 per passenger tire, larger tires at \$21.00.

Tires recycling prices have gone up from \$1.50 per passenger tire and \$8.00 for larger tires and we must accommodate. We will be researching a new carrier to see if we can cut these costs, but at this time we must raise the prices.

Motion to accept the new tire fees effective immediately at the Transfer Station as written made by Stanley Hackett second by Michael Barden approved.

Weekly Update on Select Board activities:

Regarding the Saco River TV and changes to our video: the system we have is outdated and not compatible with HD requiring new cameras, microphones, and wiring to allow us to improve our broadcasting and be more easily understood for broadcasts and inhouse meetings.

Select board continues to work on abatements and veteran's exemptions.

Spoke with Joyce Foley about LD2003: this took away local control of growth & permits, deals with setback changes. The wording says the town "must" comply, however LD2003 is currently being challenged. The Town would like to have an article on the March Ballot addressing this as it is difficult with wells and private septic systems to allow the unlimited growth the bill seeks.

We will share more details as they are available.

GWI sent an email to the Board requesting a letter to see about a grant for running broad band cable to our area. This would be no cost to the Town, and the Town will support the efforts by GWI.

Stanley Hackett has agreed to be our representative in contact with MMA in researching low income housing for the area. Due to the growth in town, this will be an issue to be addressed in the future.
