Met w/ dept heads to discuss sleeping quarters, paving work.

PWD: discussed paving and what needs to be done to the road prior to that being accomplished, drainage issues with just paving and road rebuilding due to the road base and ditching works.

PWD is going to use reclaim on the road this summer to try and alleviate some of the issues and satisfy the needs of the road.

Fire/EMS: goals for the new sleeping quarters such as blocking and removing wheels, adding skirting and plumbing. The Fire and EMS has had a large quantity of materials donated to help with the renovations and it is much appreciated. We are renovating the portable unit so help attract fire and ems workers who want to work 24-hour shifts, which will be great for town coverage and reduce our dependence on mutual aid.
