PWD STORM RECOVERY UPDATE:

North road has had some damage and most major has been fixed.

Douglass Road took a severe hit from Merrifield Brook. We have placed plates on Douglass Rd to allow traffic to continue to use the road. We will be updating the culverts and installing a couple more. I have contacted a company that will help us pave. This outfit runs an asphalt plant during the winter months and are set up for paving year-round. Our pavement trailer is now back in service. We will be using this machine to get the damage and potholes filled. The chipper is running great and has we have been chipping where needed.

Informational Bulletin:

Thank you to the Public Works Department and Fire and EMS for their response during the storm!
